Topic: Why I wish to attend YESHIVA SCHOOLS of Pittsburgh

It is understood that admission to the Yeshiva Schools is subject to the following conditions:

Attendance at the school is a privilege dependent upon the maintenance of satisfactory standards in both the Hebrew and General Studies departments. Students are expected to obey all rules and to uphold the moral principals and good name of the YESHIVA at all times - both in school and in their outside activities. The school reserves the right to require the withdrawal of a student at any time for any reason it deems sufficient.

All students will be required to provide proof of current, age-appropriate immunizations according to current Allegheny County immunization requirements, prior to admittance.
